

**2017**

**DRIVER OF THE YEAR PRESENTATION EVENING**

2017 saw the second year of our club championship for Superkarting-uk and by all the feed back from you the members it was a great success. Having a championship means that we have champions or club drivers of the year in all our classes which means an informal get together to present the drivers with their trophies. We have decided, thanks to Motiv Racing for supplying the trophies, to give trophies that the drivers will keep and not return each year.

Now onto the evening for the presentation's. We are having a three course meal with entertainment after the meal at Smithy's Marina Bar function suite which is just off the A50 at Shardlow near Derby DE72 2GL on Saturday 24<sup>th</sup> February 2018. Most of you will know Adam Smith, the owner, from his superkarting days and being an ex karter he has promised us once again a memorable evening.

The cost for the evening is £25 per person which, in line with superkarting-uk's race pricing, is good value for money. You will have a choice of items off the enclosed menu consisting of starter, main course and dessert and if anyone has special dietary requirements please let me know and this will be passed onto the chef. I would ask that you pre-book your choice and return the enclosed booking form together with your payment by the latest 10<sup>th</sup> February.

As last year anyone wishing to bring their caravan and stay overnight are most welcome and these will be parked at the rear of the venue as we did last year.

The winner and runner up in each class will be receiving trophies on the presentation night and each class winner will also be entitled to one free place at the evening's meal. A winners and runners up list is at the bottom of this news letter.

I have taken the opportunity to also enclosing your membership application form for 2018 and also the race dates for 2018 with a couple of additions to last years Oulton Park and Anglesey we have Mallory Park and Snetterton 300 circuit for this year which I hope you will all support us to make them successful also we have one meeting at Cadwell this year, the King of Cadwell, and the Darley Clubman meetings.

All in all 2018 looks to be another great racing year for all our members so please come and support the club that really does value its members.

If any of you feel that you would like to sponsor any of the meetings in any way please feel free to contact me.

Have an enjoyable evening and a great 2018 race season.

Club Secretary
