

REGULATIONS 2024

- 1) Superkarting-uk will hold Long Circuit Interclub Events at the following circuits on the following dates :-

Sunday 14th April - Darley Moor Interclub Round 1

Sunday 16th June - Darley Moor - Interclub Round 2

Sunday 11th August- Darley Moor - Interclub Round 3

Sunday 8th September - Darley Moor - Interclub Round 4

Sat 18th/Sun 19th May - King of Cadwell Interclub Event - Cadwell Park

- 2) The meetings will be held under the General Regulations of the Motorsport UK incorporating the provisions of the International Sporting Code of the FIA.
- 3) All circuits hold a current Motorsports UK track Licence the circuit lengths are :-
Darley Moor 1.5 miles
Cadwell Park 2.187 miles
- 4) Events will be restricted to members of Superkarting-uk for the following classes :-
125 open, 250 National, 250 Evolution, 450 Four Stroke and 250 Division 1
- 5) The events are open to all club members holding at least a Interclub Novice licence who are 16 years of age and over, 16 year old drivers are restricted to a maximum engine size of 210cc, Motorsports UK Year book section K applies. Any driver who has not competed on long circuits previously will be deemed a novice and will carry the relevant novice plate on the Kart until he or she has received signatures on their licence for satisfactorily completing four races on long circuit All novice drivers new to long circuit should be aware of Motorsport UK regulations U 13.3.2 & U 13.3.4 relating to the wearing of leather race suits.
- 6) Entry for the event must be made on the clubs official entry form together with the appropriate fee. Entries will be deemed closed 14 days before the event.
A Late entry fee of £25 will be applied after the stated closing date.
- 7) No entry fee will be refunded if cancellation is received after the closing date.
- 8) If the meeting is canceled, postponed or abandoned on the race day entry fees will not be refunded.
- 9) The maximum combined entrants for each meeting will be :-
Darley Moor 36
Cadwell Park 40

The entries will be decided on a firstcome first served basis up to the maximum number of entries allowed, entries are deemed open when the years calendar is published on the official web site.

- 10) Events will consist of one timed qualifying session of ten minutes, where 3 laps are mandatory, followed by at least two races of eight laps or two races of twelve minutes duration depending on the race program and as stated in the final instructions.
- 11) Grid formation will consist of a front row of three karts followed by a second row of two karts this formation repeated down the grid, or as per Motorsport UK track licence.
- 12) All starts will be a slow rolling start preceded by a formation lap from the dummy grid behind the pace car which will pull off into the pit area leaving the Karts to hold formation and proceed slowly to the start line where the extinguishing of the red lights will signal the start of the race.
- 13) Grid positions for race one will be decided by timed qualifying. Grid positions for the following races will be decided on finishing positions of previous the race.
Trophy winners will be decided by the highest aggregate points in each class across all races in the round, unless otherwise stated in the final instructions.
In the event of a tie the drivers qualifying time will decide the winner.
- 14) In the event of a red flag stoppage of a race only karts that were actually racing and were mobile at the time of the red flag being shown will be allowed to re-start. The grid positions will be as race position from the previous lap.
All these karts will be directed by the officials to a re-assembly area which will be deemed as a Parc Ferme area.
No work on the karts will be allowed in this area and mechanics will only be allowed into this area to re-start the karts on the direction of the Clerk of Course.
In the event of the race being declared complete at the showing of the red flag the result will be taken from the previous lap and any competitors who were involved in the red flag incident will be excluded from the results.
A race may be declared complete by the officials of the meeting after three laps have been completed by the leading competitors if time and circumstances do not allow a re-start.
- 15) Technical regulations - all karts must comply with the Motorsport UK Kart General, Technical and Safety Regulations. Class regulations, appendix 3 & section D Gearbox Class General regulations within the Karting UK Yearbook.
- 16) Sporting regulations & judicial procedures will be in accordance with the current Motorsport UK Yearbook.
- 17) The Starter, Chief Scrutineer, Observers, Timekeeper and Environmental Scrutineer will all be deemed as Judge of Facts.
- 18) Tyre choice will be as per Karting UK Yearbook, Tyres used will be open unless a wet race is declared by the Clerk of Course in which case all karts must be fitted with rain tyres together with a Motorsport UK Yearbook approved rear red light, regulation U 17.30 To U 17.30.6 applies.
The light to be switched on before being allowed onto the circuit.
At no time will the mixing of slick and wet tyres be permitted.
- 19) Only two engines and one chassis are allowed per competitor. All serial numbers to be logged

on the scrutineering cards at pre-race scrutineering. Exceptions to this rule are at the discretion of the Clerk of Course.

- 20) A static noise test will be taken in a designated area. A drive by test may also be taken at a suitable point on the circuit. Both tests must not exceed the recommended limit. These will be advised in the meetings Final Instructions.
- 21) Fuel - Only unleaded fuel in accordance with CIK Technical Regulations Article 2.21
- 22) The use of additives such as antifreeze in engine coolant liquid is strictly banned, only pure water may be used for this purpose.
- 23) Race numbers will be issued at the time of membership registration.
The numbers will be issued on receipt of membership application and in the event of the requested number already being issued the nearest vacant number will be used. One number will only be used per competitor regardless of class and it will be retained for the duration of the season. It will be the drivers responsibility to display the number issued on the correct colour background for their class as per Motorsport UK regulations.
- 24) No engines are allowed to be run before or after the stated times at each circuit.
- 25) All entrants will be issued with vehicle paddock and personal circuit passes.
All of these will be surrendered to the track security on entrance to the circuit. Passouts, if required, will be issued by track security at the main gate and again must be surrendered when re-entering the circuit. All other vehicles must park in the spectators parking area and any extra personnel above the allocated passes will be treated as paying spectators.
- 26) By signing on at any of the events you agree to undergo a random breath test should you be required to do so. The presence of any alcohol in a participants body during competition is prohibited. The organisers may at their discretion exclude before, during or after a practise or race session any driver who is considered unfit by reason of health, consumption of alcohol or prohibited substances
- 27) All drivers must have present in their pit area a fire extinguisher to BSEN3 standard with a minimum 55B rating one extinguisher per kart
- 28) All karts must have a form of head rest fitted either incorporated into the seat moulding or as a bolt on unit fitted in such a way as to prevent the drivers head being forced backwards in the event of a collision.
- 29) All karts must be fitted with a seat of appropriate design for long circuit use.
- 30) Advisery – Fuel tank breather pipes to be fitted with a non-return valve fitted to allow the tank to breath but stop the flow of fuel from the tank in the event of an accident.
- 31) The bubble shield MUST be retained with no more than four quick release clips. The quick release clips MUST be removable without the use of a tool
- 32) All events will be cover by a Motorsport UK permit number :- TBA
- 33) All events will consist of at least one of the following officials :-
Motorsport UK Steward TBA.

Clerk of Course: T Bateman

Club Stewards: 1. TBA, 2. TBA.

Time Keeper: TBA
